

## DBQuest - Rules & AntiCheat System

The maximum tries per wallet = **3 every 24 hours**

**Tier 1** = I spend my 1 try, I buy more to reach Tier 2, **Remaining tries = 1**

**Tier 2** = I spend my 2 tries, I buy more to reach Tier 3, **Remaining tries = 1**

**Tier 3** = I spend my 3 tries, I have to wait 24 hours before to get 3 new tries

**Max Tries = 3 / 24h** - Selling & Buying Back your tokens won't reset your tries

We have **50% Wallet Transfer Fees** to avoid unlimited tries

We have a strong **Anti-Cheat System** and a full team of Devs  
Anyone trying to cheat will see his wallet **blacklisted!**

The **70 BNB Prize is 100% secured** in a wallet and not on the platform.

Play Fair and Enjoy!
